MEMORANDUM TO: DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

Here is one where I need your guidance. I recommend that you authorize me to have someone sit down with Gordon and discuss with him the various portions of his report which we regard as unfortunate and in some cases even invidious. I greatly regret that he has not yet received a letter. You may feel that you are required to consult with the other members of the PSB in view of the Board's decision against having anyone attempt to get Mr. Gray to revise his report.

Mr. Frank G. Wisner  
Central Intelligence Agency  
Washington 25, D. C.

Dear Frank:

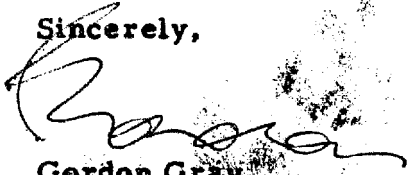

I very much enjoyed the evening with you and Tracy on Friday. It was an especially good dinner.

I have heard nothing from either Washington or Key West about the report.

Since General Smith authorized you to discuss it with me, I am wondering if it would be too much trouble to ask you to point out the errors and language faults which you and your associates found in it. As you know, I think it is too late for the release of the report as made to the President, but I would be interested in knowing the criticisms made of it.

I hope to see you soon.

Sincerely,

  
Gordon Gray  
President
